

Letter To Readers

The current auction is our unique to the industry affordable autograph, card and memorabilia auction. Covering all of the major sports, this auction consists almost entirely of collectibles with a retail value of \$500 or less and low minimum bids. This particular auction contains a very interesting assortment of autographs, cards and memorabilia from all of the major sports.

Day one is all about baseball autographs as usual. Signed cards come first: we have many HOF signed Rookie Cards, scarcer signed cards and a terrific run of 2001 Topps Chrome Multi-Signed cards.

We continue with signed flats, with note to Yellow HOF Plaques, 3x5s, Cuts and Postcards. These categories include classic HOFers and scarcities. We have some terrific 1960s Mets vintage signed programs from a great New York Mets collection and many fine signed 8x10 photos. Collectors looking for oversize items will see many fine signed large prints and photos of HOFers and stars.

Single signed baseball collectors will see an affordable Thurman Munson, a nice Lefty O'Doul, a deep run of HOFers and a bevy of stars. A good mix of contemporary and older players, there are many baseballs in the auction that we do not usually have. Collectors looking for balls with scarce inscriptions will see a terrific Sandy Koufax single with a 4 No Hit inscription. Multi and team-signed baseballs go back to the 1940s with collector grade team balls, All Star balls and fun combinations.

Baseball memorabilia concludes day one. We have some nice signed bats and a good selection of vintage World Series programs and related programs. There are some very fine 1956 Brooklyn Dodgers Tour of Japan programs in this section.

One real highpoint of the auction is an outstanding collection of scarce Brooklyn Dodgers pins. Consigned by a really nice collector, these include rare PM10 Name on Top Pins, scarce general PM10s and fine Brooklyn Dodger teams pins among others. Baseball memorabilia also includes many tickets, pennants, vintage photos, Hartland Statues and more.

Day two begins with baseball cards. There are some unusual oddball issues from the 1960s sold in lots and as singles, clean sets from the 1970s and many nice star cards. We have one of our deepest selections of modern cards, with a fine run of quality relic cards from the early 2000s.

Basketball collectors will see a run of 1957-58 Topps, 1969-70 Topps Rulers and a very fun run of signed 1986-1987 Fleer basketball cards, all slabbed. We have many signed basketball items of classic HOFers and star players. Boxing comes next, with several Ali signed items and other memorabilia.

Football is always a key part of these auctions. We have 1948 Leafs, early 1950s Bowman lots and some better modern cards from 1980 to the present. Football memorabilia includes pennants, programs and tickets. Football autograph collectors will see some fine slabbed 3x5s of early HOFers, signed footballs, 8x10 and other size photos and many of the keys from the Goal Line set, all slabbed.

We are actively seeking out consignments and buying items outright for all of our future auctions and sale catalogs. We know there are a lot of choices out there, but Clean Sweep (and Lelands) offer an ideal number of auctions that are not too big or too small, so your items will be properly showcased and realize top prices. If you want to sell your collection or key items outright, we are, as has been the case since the early 1990s, very strong buyers with the financial resources to purchase any size collection.
