Letter To Readers

The current auction is our unique to the industry affordable all sports affordable autograph, card and memorabilia auction.

The merger with Lelands continues to provide tremendous benefits for both companies. In particular, the current auction is absolutely the finest and deepest one that we have ever presented of this type, it is almost bursting with fresh and fun material.

The auction takes place over two days. Day one is all about baseball autographs and baseball memorabilia. We begin with signed baseball cards, these go back to the 1930s, and come up to the current era with many interesting pieces.

Day one continues with a solid selection of quality 8x10s. Collectors of 3x5s, GPCs and cuts will see fine signed items from Home Run Baker, Willard Brown, Kenesaw Landis, Rabbit Maranville, Roger Maris, Walter O'Malley, Hilton Smith, Dazzy Vance and Arky Vaughan. Autographs continue with fine signed Yellow HOF Plaques and a fresh collection of signed checks going back to the 1920s with interesting content. There is a terrific run of vintage signed team sheets going back to the early 1960s from the Mike Andersen collection, a great run of signed The Sporting News and other programs and publications, many classic signed large prints, signed books, signed jerseys and a run of signed bats.

Signed baseball collectors will see a run of HOF and deceased single signed balls, a large assortment of quality group lots, interesting multi-signed balls and a deep run of team signed balls with many highlights. Day one concludes with quality offerings of vintage pennants, programs & photos (going back to the 19th century), tickets and so much more.

Day two starts with baseball cards. We have many interesting oddball items, high grade sets and singles from the original owner, unopened items and many oddball Nolan Ryan, Tom Seaver and Carl Yastrzemski pieces.

Basketball collectors will see high grade sets from the original owner, and many neat signed items from classic HOFers, particularly the Boston Celtics. We have one of our best selections of boxing items, with photos, postcards and memorabilia from the Lelands archives; these have not seen the light of day in over ten years!

Football is the largest offering that we have ever had in one of these auctions. There are fine runs of clean cards with sets, unopened product, signed Goal Lines, signed footballs, jerseys, photos, scarce vintage signed cards, slabbed 3x5s of NFL and College HOFers and scarcities and much more.

We have some interesting signed golf items, and a particularly deep offering of hockey items. The hockey material includes clean cards, high grade programs and a run of high quality, scarce 3x5s of pre-war HOFers that hardly ever come to market.

As always, we want to thank both our long-time and new consignors for making this possible.

The Clean Sweep – Lelands merger offers many unique and terrific opportunities that allow us to continue to grow our companies the right way, and provide fine and fresh material for our clientele.

From a single owner who was fascinated with the Negro League players, these go back to at least 1971. Mainly letters, cuts, postcards and other smaller signed flats are here as well. The content looks fairly basic, but still many pieces have very interesting, even poignant content. Given the nature of the lot, we did not show it to JSA, it is being sold as-is, but we would be very surprised if there were any issues here given the content and source. If one of these players were to become a future HOFer, there could be some real treasure here!
