Letter To Readers

2024 was one of the most eventful years in the 30 year history of Clean Sweep Auctions. We formed an exciting merger with the legendary Lelands Auction house as part of the newly founded Collectors First Auction Group. With our combined distribution, we can offer unique and wonderful ways to market any significant collection, across so many areas. Please reach out to me personally if anyone has any special needs involving both companies.

We want to wish everyone a Happy and Healthy 2025, and sincerely thank both our long-time bidders and consignors, and also the many new additions from 2024 for your tremendous support.

Our current auction is one of the most interesting and balanced that we have ever offered. We begin the auction with an incredible Christy Mathewson single signed baseball, a veritable Holy Grail of signed baseball collecting. Our key lot section continues with a terrific Babe Ruth single signed ball and a rare 1922 New York Yankees signed baseball with a dated Babe Ruth autograph.

Key lots continue with a low grade T206 lot of 250 different cards, a fine SGC 4 T206 Ty Cobb Bat on Shoulder, a run of collector grade 1933 Goudey Babe Ruth and Lou Gehrig cards, 1939 Play Ball Ted Williams PSA 2, a pair of 1951 Bowman Mickey Mantles (PSA 1 mk, SGC 3), 1952 Bowman Mantle SGC 5.5, 1952 Topps Willie Mays and Jackie Robinson in PSA 5 holders, 1956 Topps Mantle SGC 7 and a fine 1957 Topps baseball Complete Set for baseball card collectors.

Other keys lots include a 1957 Topps Cousy RC PSA 7 and Russell RC PSA 5 and a superb 1977 Star Wars Series one wax box.

The auction has a quality selection of pre-war baseball single cards going back to the 19th century with many scarcities and key stars. Topps and Bowman collectors will see two Willie Mays Rookies, a superb 1954 Topps Hank Aaron PSA 4, new 1952 Topps high numbers and high grade singles. Beginning in the 1960s, we have some tough oddball issues, from a great collection of Nolan Ryan, Tom Seaver and Carl Yastrzemski rarities. Highlights here include 1970 Topps Candy Lid Proofs, a pair of 1973 Topps Pinups and original card artwork from the Topps Vault.

Baseball card set collectors can have a field day in the auction. We have a huge offering of vintage baseball card sets from the 1950s through the 1970s. There are many very clean and fine condition sets, and also many collector model sets. These are all fresh to market and should be very popular lots.

Baseball autographs include many fine signed cards going back to a T206 Marquard, superb 3x5s and GPCs from classic HOFers, rare signed photos, terrific signed oversize pieces and several desirable single signed baseballs, including a high grade Nestor Chylak, a pair of Lefty Groves and low grade Ty Cobb and Walter Johnson singles among much more.

Non-sport collectors will see superb 19th century lithographic proof sheets from the original printer and various sets. Basketball collectors will see high grade sets from vending, many Michael Jordan items that came from a former Governor of Illinois and other treasures. Football collectors will also see 1960s and 1970s complete sets and single cards from vending, and many fine signed items.

The auction ends with a solid selection of baseball memorabilia, including tickets, programs, display pieces and Sosnak balls of Tom Seaver and Carl Yastrzemski.

Key Lots

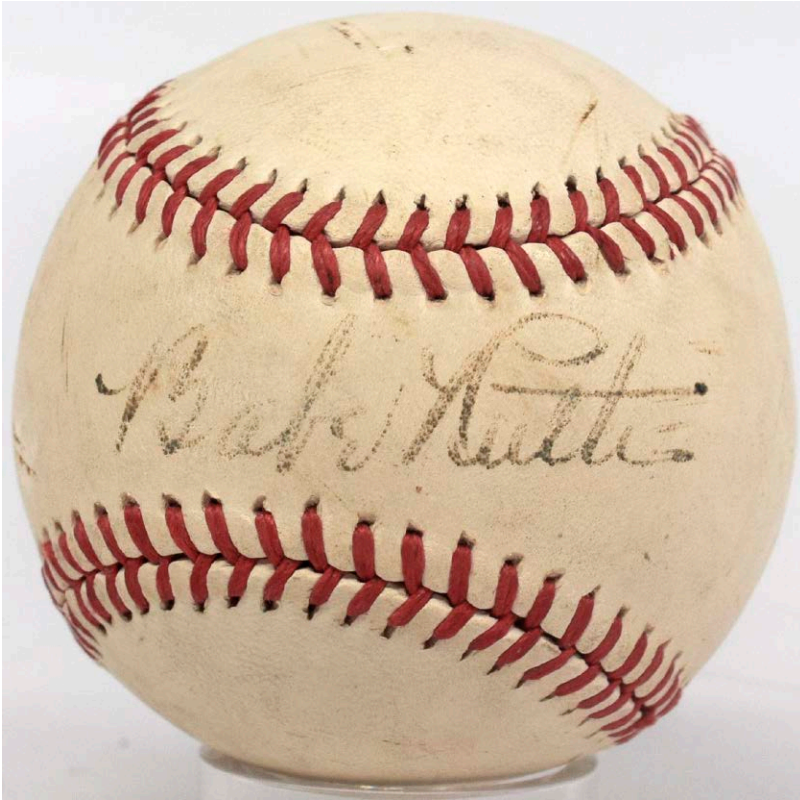

1 Christy Mathewson Single Signed Baseball 52000

Christy Mathewson was one of the very finest players in all of baseball history. A legend in his own time and since his death in 1925 at only age 45, his autograph is revered by collectors. One of the most important of all baseball Hall of Fame autographs, Mathewson's signature is profoundly rare on a baseball. Remarkably, the offered ball is a single signed model! The ball itself is a moderately worn ONL Tender Official Ball with multi-colored stitching. Likely signed in the 1920s, Christy Mathewson was President of the Boston Braves at this time. The ball itself was likely a game ball, it has a burnished period look and feel. Matty signed this at the top of one side panel. This is an interesting autograph: The C and sty in Mathewson are fairly bold, as well as the athewson in Mathewson.

Clearly identifiable, who wants to add a truly rare, great and important single signed baseball to bring their collection to the next level? This comes with full LOAs from both JSA and PSA.

Key Lots

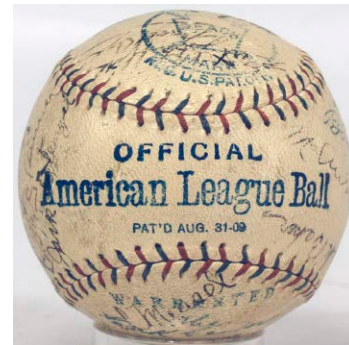

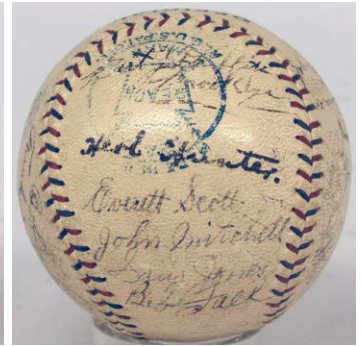

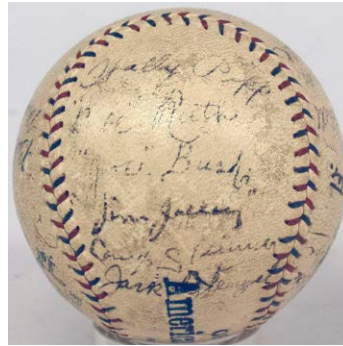

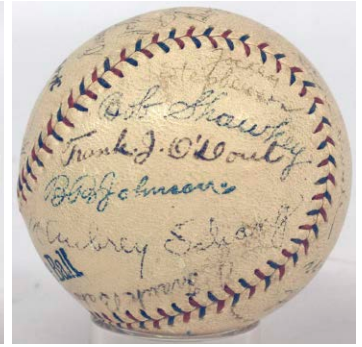

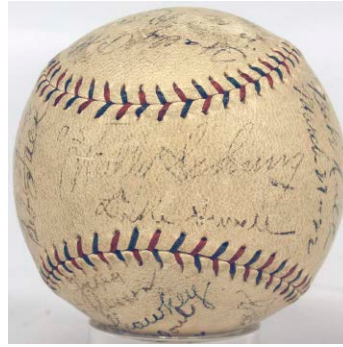

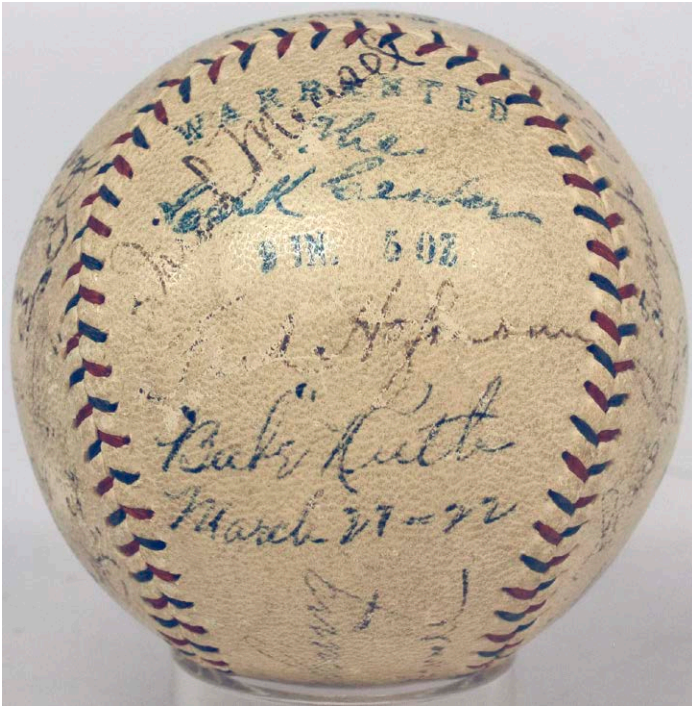

2 Babe Ruth Single Signed Baseball 71000

The ultimate signed baseball, these have only grown in demand and stature over the years. Very high grade examples can sell for six figures, the offered ball is a very mid to better grade exemplar. Signed on a clean Reach Official League Model baseball, the ball itself has only slight wear and displays well. The ball is off-white, the signature is in black fountain pen ink.

A pleasing and attractive Babe Ruth exemplar, this has a nice look and feel, it is a 7/10 overall in our opinion. An attractive Ruth single with no issues that displays well, this will instantly elevate the stature of many collections. PSA DNA (full).

Key Lots

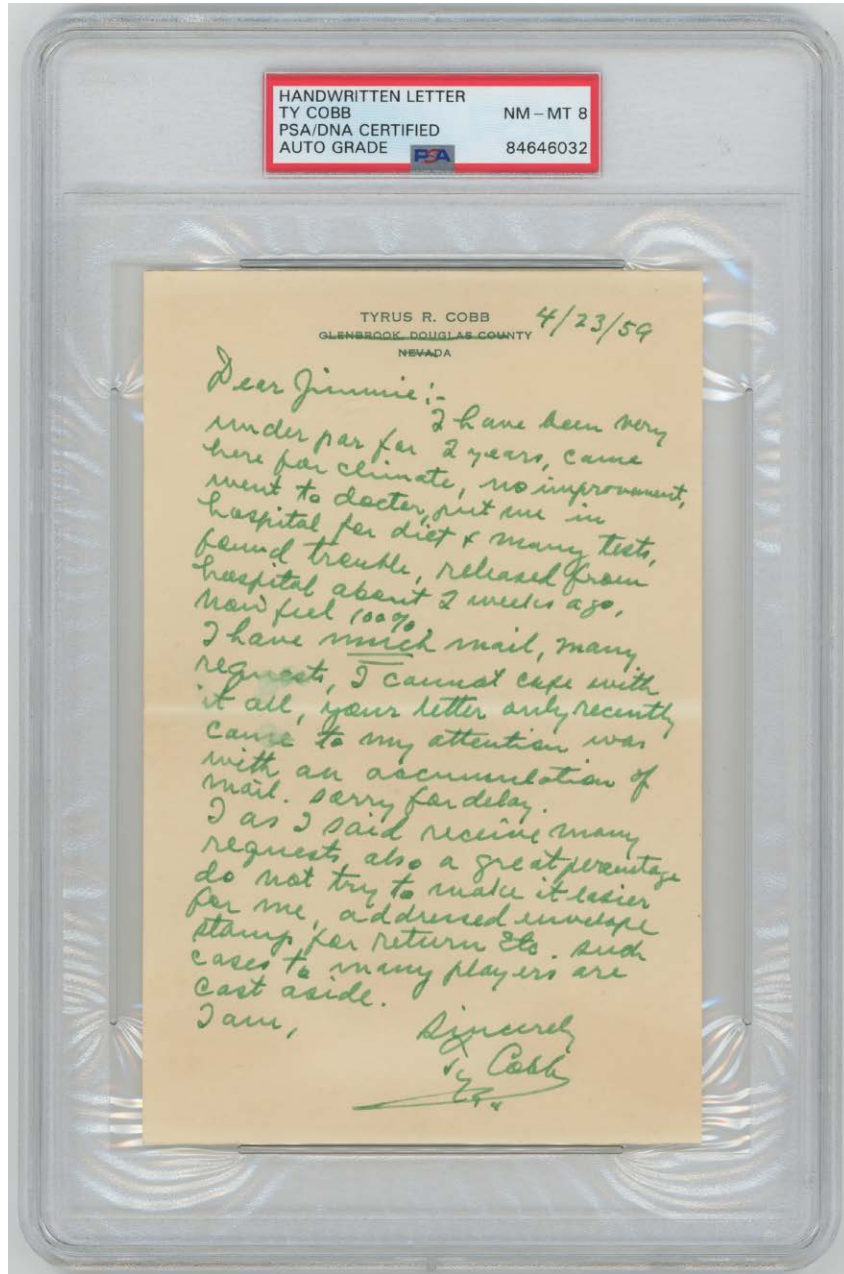

3 1922 Yankees Team Ball w/dated Babe Ruth autograph! 71000

One of the rarest of all New York Yankee team balls, these hardly ever come to market. This was the final Yankee team to lose to the rival New York Giants in the World Series (1923 was the beginning of their historic dynasty). The offered ball is a toned OAL Ban Johnson model. There are 24 total signatures on the ball, they vary in darkness but are pretty nice overall to our eyes.

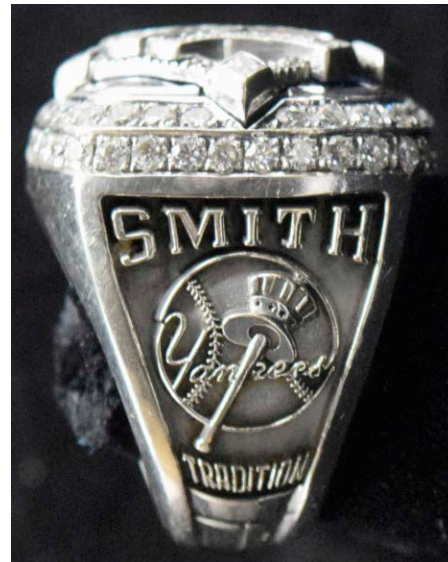

The ball has two Babe Ruth autographs, but one is secretarial. The other signatures include HOFer Frank Home Run Baker, Bibb Falk, Irish Meusel, Lefty O'Doul, Wally Pipp, Everett Scott and Bob Shawkey. In a great touch, Babe Ruth wrote March 27 - 22 in his own hand below his signature, something we have never seen before. Great ball! JSA LOA (full).

Key Lots

4 Letter Cobb, Ty Signed ALS PSA 8900
PSA slabbed, this measures approximately 5x7 and looks great. Dated April 23, 1959, this is on Cobb's personal letterhead. The content is very warm, and relates to Cobb's medical issues. This has a beautiful flowing full Ty Cobb flowing green ink signature. Very fine.

Key Lots

5 2009 New York Yankees World Series Ring in Original Box 1000
The final Jeter-Rivera Yankee World Championship team, this was also a historic run as it was the first year of the new Yankee Stadium. Carried by Alex Rodriguez at the top of his game, this was the last Yankee World Championship team. Offered is a very attractive size 8.5 14 karat gold ring. Issued to a Richard Smith, this would almost certainly have been a front office person.

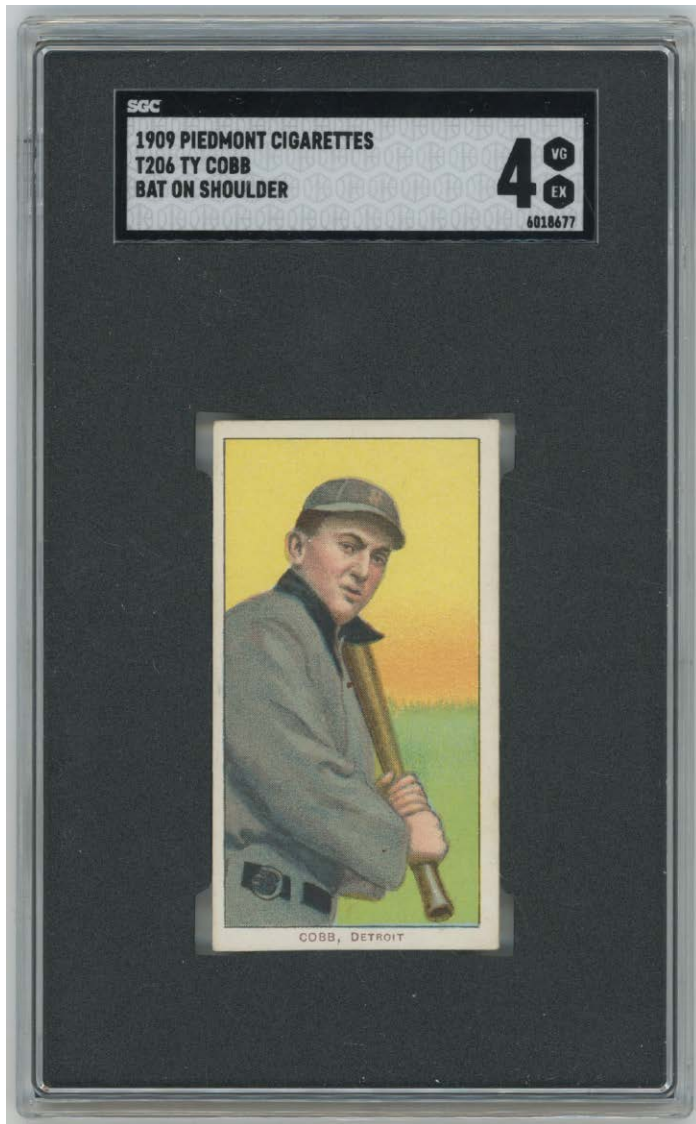

The ring is bright and clean, it has a large blue stone on the face with NY in diamonds above it. One flank reads 2009 World Champions, the other Smith Yankees Tradition. The interior has a Balfour engraving and a 2009 Yankees seal. Good piece.

Key Lots

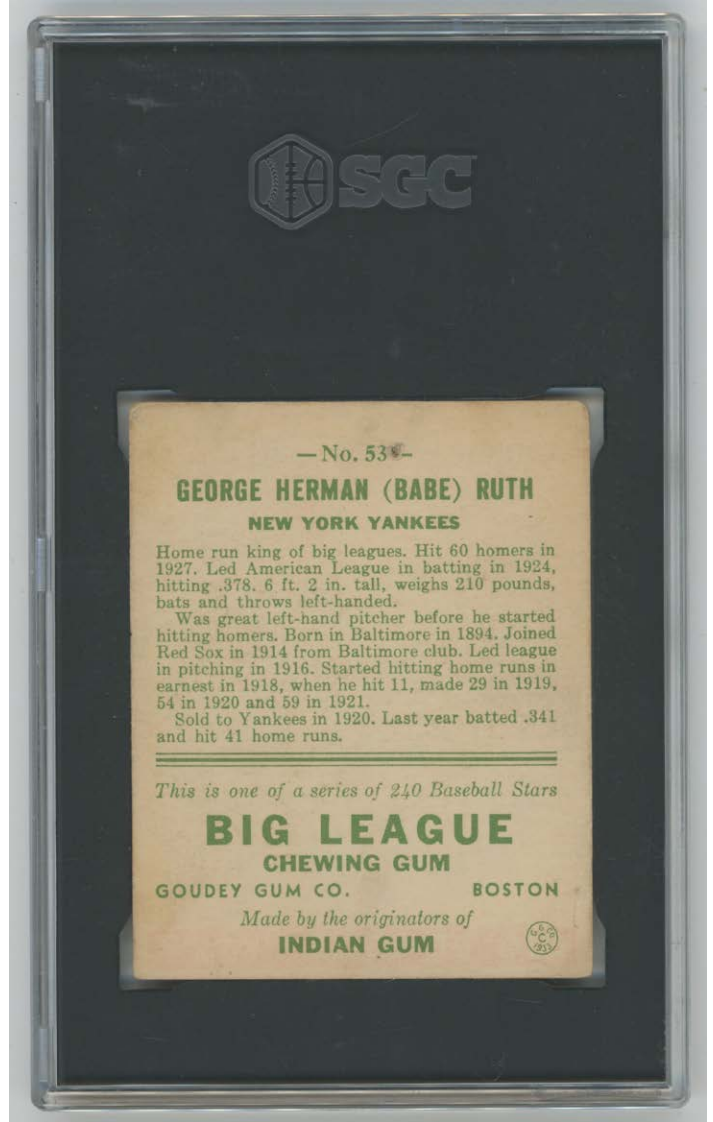

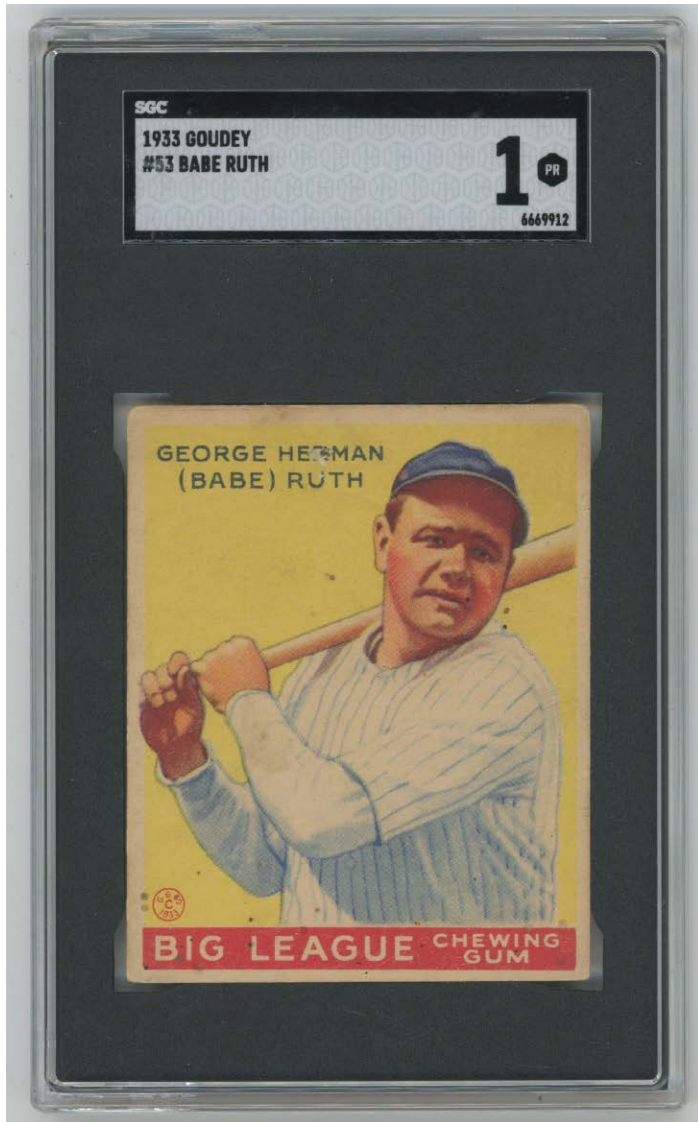

6 1909-11 T206 Partial Set (250 different)3000
 Offered is a low grade T206 set, every card will be pictured on our website. The HOFers are Brown, Chance, Chesbro and Crawford. An honest low grade set, this will get someone almost half way to a full set! The cards range from Poor to Good as a general reference, the backs are basic, some have typical issues.

Key Lots

7 1909 T206 Ty Cobb Bat on Shoulder SGC 4 (superb)2000
An exceptional quality card, this is a card that can stand out in a crowd. A very bright, crisp and clean card, this looks terrific. The borders are white and the color and image quality are terrific. The back is also quite clean. The corners come to points, this is centered a touch to the left border. The card has one extremely minute surface wrinkle by the right border that is not easy to see, it is extraordinary for the grade in our opinion.

Key Lots

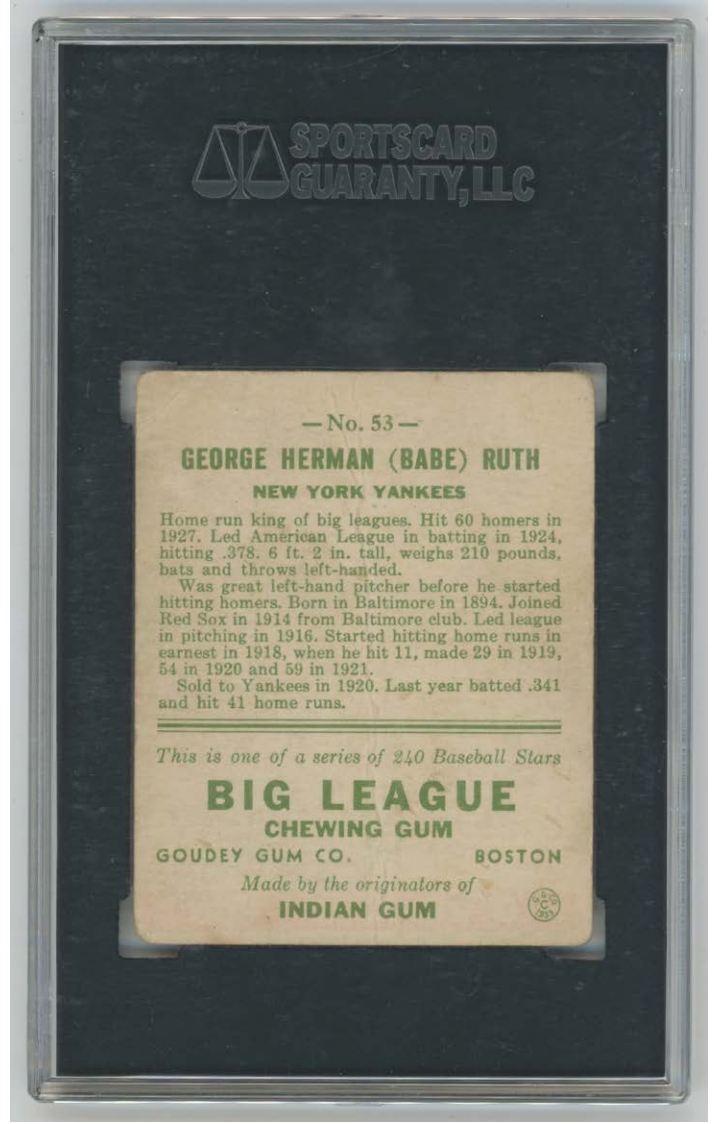

8 1933 Goudey 53 Babe Ruth SGC 11500

The key 1933 Goudey Babe Ruth card, these are always extremely desirable. The offered card has fine centering, rich color and a flawless image. There are no visible creases or wrinkles, the back looks fine. Alas, this has a somewhat subtle pinhole in the R in Herman.

The card displays very nicely overall, and is absolutely perfect for so many set and vintage card collectors.

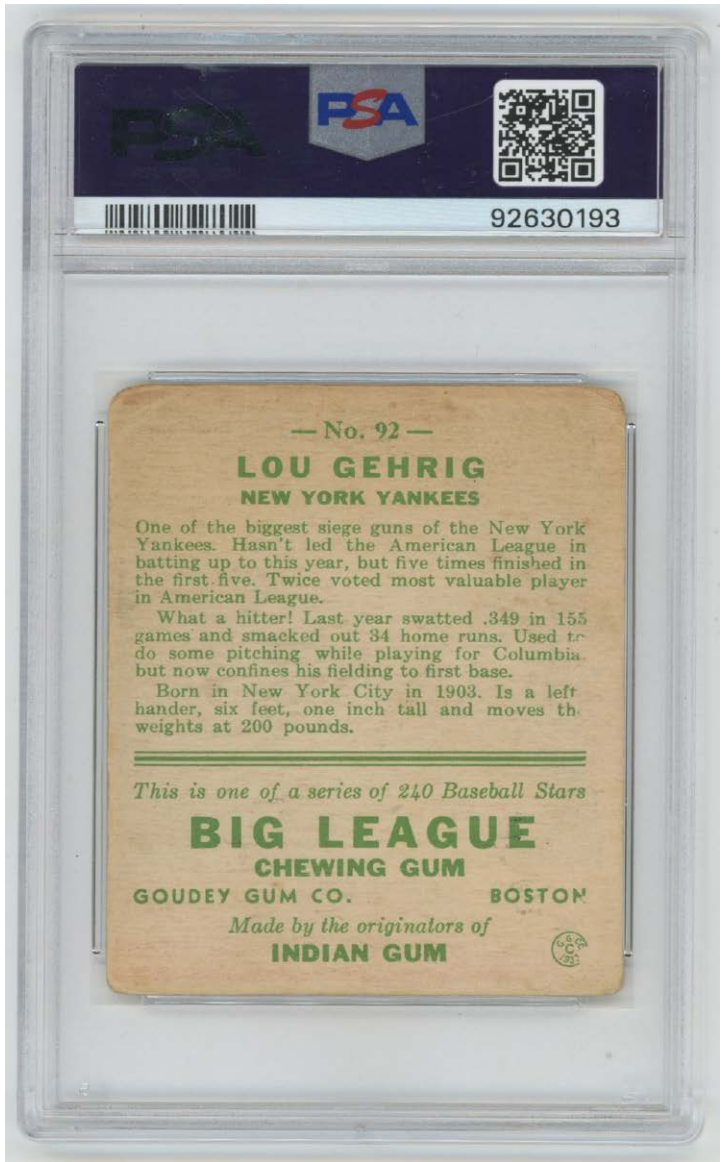

Key Lots

9 1933 Goudey 53 Babe Ruth SGC 2.....2500
A classic and key Babe Ruth card, this example is well centered with great color and a superb image. Alas, creasing and corner wear keep this at a 2. The corners wear is consistent, there are no technical flaws.

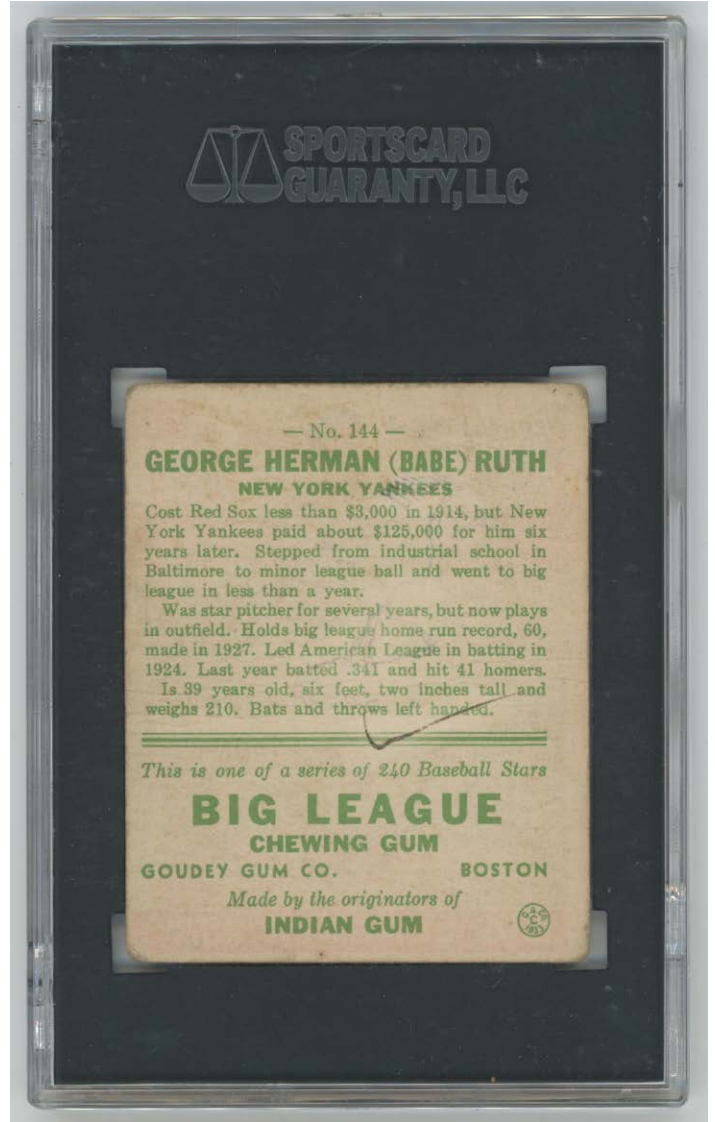

An attractive card for the grade, the centering and color are the strong points for this card.

Key Lots

10 1933 Goudey 92 Lou Gehrig PSA 1.5900
A classic Lou Gehrig card, these are always extremely popular. Very well presented for the grade, this example has rich color, a fine image and display value well above the technical grade. The card is centered to the right border, the front looks good. The back is not bad at all, a fair amount of wear on the two right corners on the back keep this at a very pleasing 1.5.

Key Lots

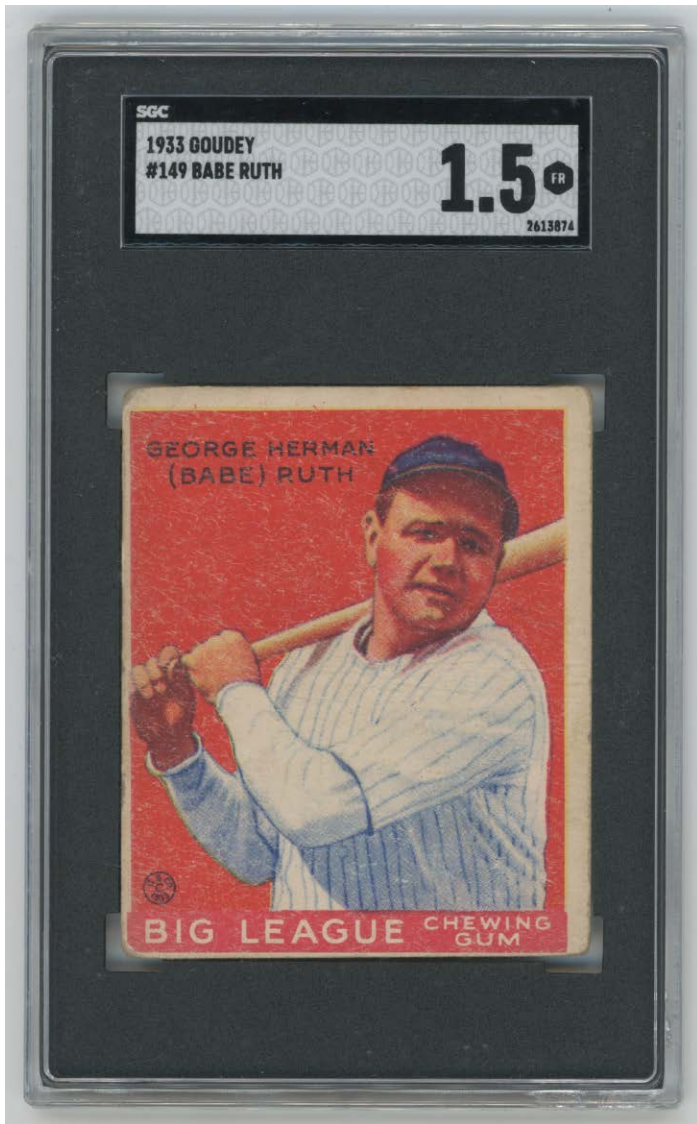

11 1933 Goudey 144 Babe Ruth

SGC 1.5.....1500

Offered is a very colorful and attractive lower grade example of this key card. Centered mildly to the right border, the corner wear is consistent. The back has a stray mark in ink and some light creasing, it is not bad at all. This is a fine looking card for the grade.

SGC 1.51500

A key card, this one has very rich color and a fine image. An honest 1.5, this has creasing and some general wear. Centered to the lower left corner, the back has no damage, the corner wear is consistent. This is a good card to add to any lower grade set or pre-war card collection.

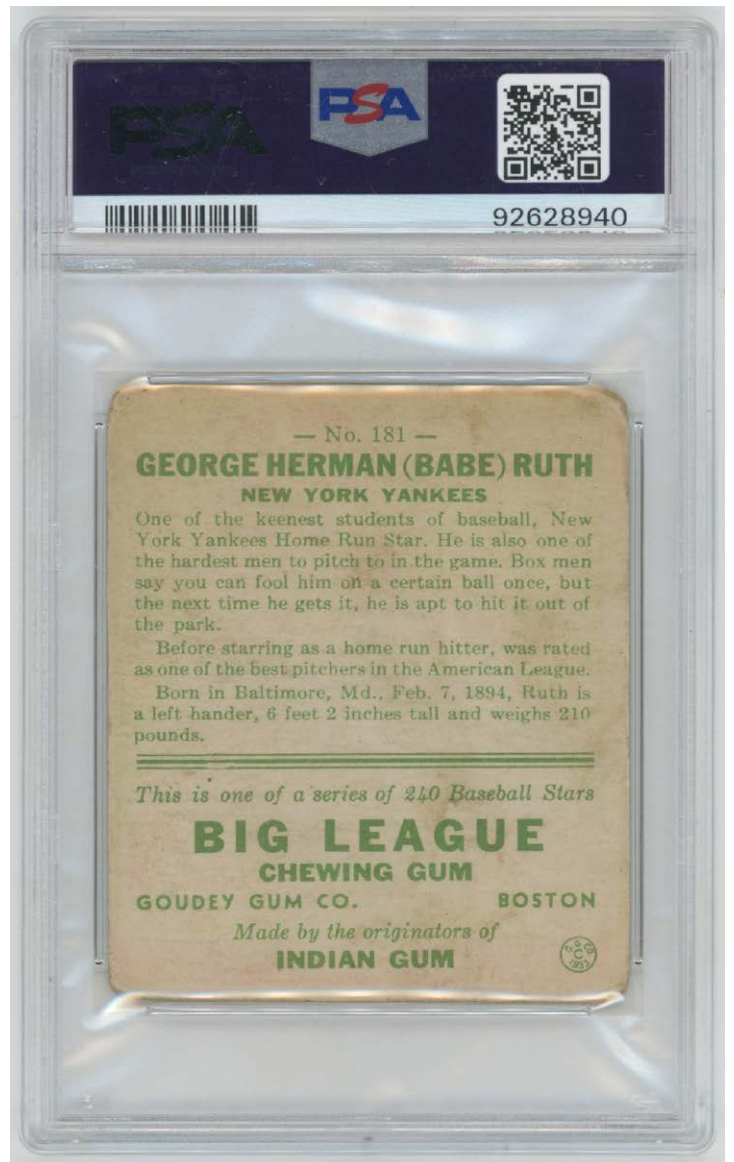

Key Lots

13 1933 Goudey 160 Lou Gehrig PSA 1930
A classic card, this has a nicely defined image and good color. The corners show only light wear, the back has no paper loss. Pinholes by the top and bottom border keep this at a 1, many would feel this is superior to a card with lots of creasing and/or back damage. The card retains solid eye appeal despite the pinholes.

14 1933 Goudey 160 Lou Gehrig SGC 2.51000
A classic card, this is a very fine exemplar for the grade. Notable for terrific centering, this has strong color and a terrific image. A fine looking 2.5, this has mild creasing. The back is clean, the corners show mild and consistent wear, this displays very well.

Key Lots

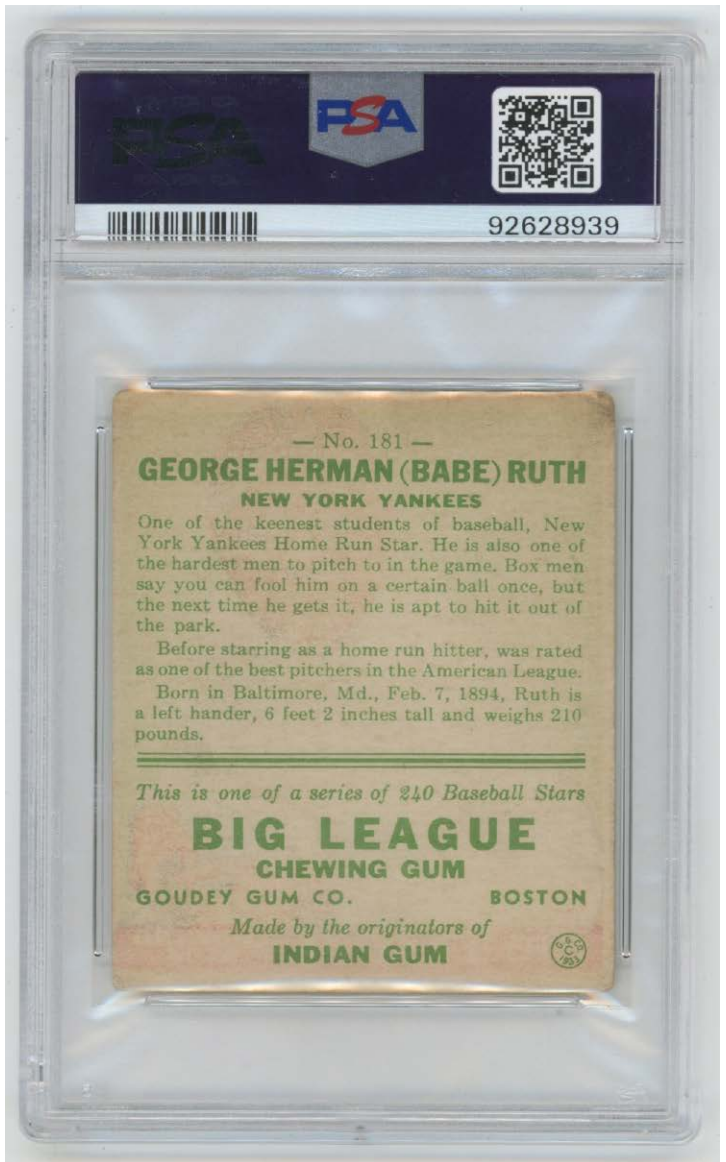

15 1933 Goudey 181 Babe Ruth

PSA 11500

A classic Babe Ruth card, this is an honest and colorful 1. Creasing and corner wear keeps this at a 1, but it is far from excessive. The back is clean with no paper loss, which is not easy to find on a 1. The image still displays very well, this is a perfect card for so many collectors.

Key Lots

16 1933 Goudey 181 Babe Ruth PSA 2.52000
A key Babe Ruth card, this one is notable for rich color and an outstanding image. Well centered, this displays much higher than a 2.5. The card has clean surfaces, some mild creasing is present that does not crack the paper, these are truly light, and are more on the back than the front. A terrific card for the grade, this winning bidder should really enjoy this classic and well presented 1930s Babe Ruth gum card.

Key Lots

17 1938 Goudey 250 Joe DiMaggio PSA 21200

A key 1930s card, these are always very desirable. An iconic card, this looks great for the grade. The offered card is notable for outstanding centering and exceptional color. The image is flawless, the card has excellent eye appeal. The 2 grade is fair here, there is corner wear and some creasing. There are no technical flaws, the back is fine, as are the borders. This is an ideal card for the grade to our eyes.

Key Lots

18 1939 Play Ball 92 Ted Williams RC PSA 21000

Freshly graded at the National, this came from an old time collector who had this for decades. Harshly graded in our view, the card has no visible creases or wrinkles, even under magnification. Centered mildly to the left border, the surfaces are clean. The corner wear is mild and consistent, the back is fine. There is wear on one spot on the left border, this really looks much more like a 3 than a 2 to our eyes. Either way, this is a very attractive example of a cornerstone card that the winning bidder should really enjoy.

19 1951 Bowman 253 Mickey Mantle Rookie Card PSA 1 mk1000

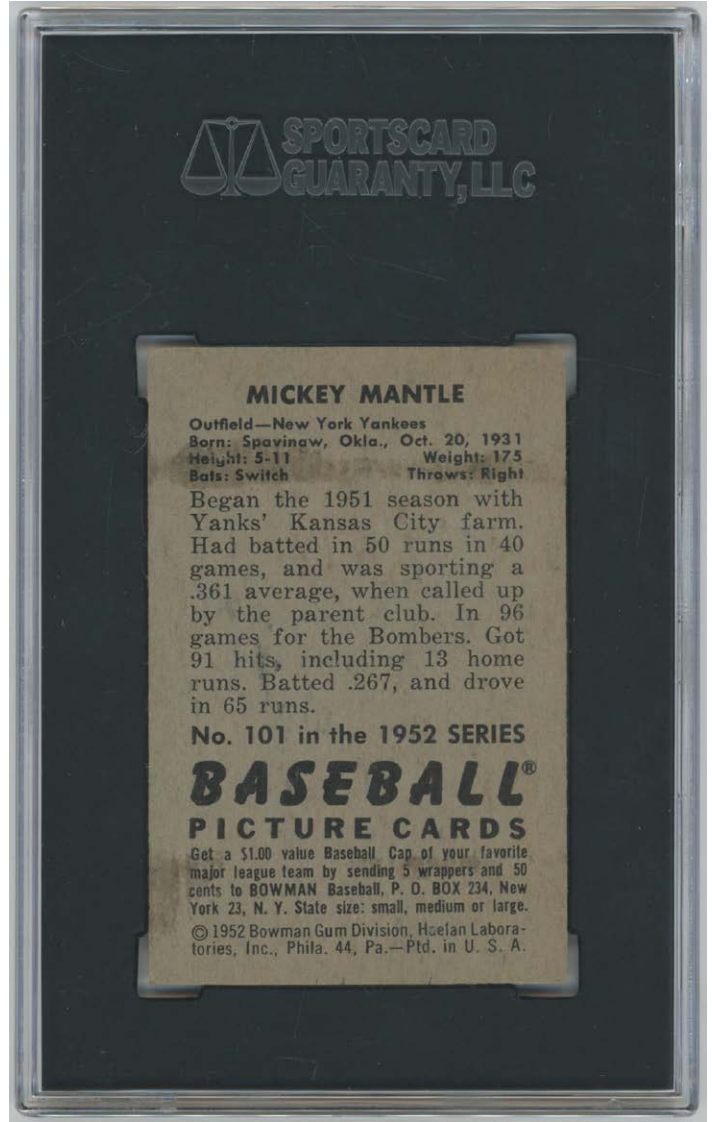

An affordable and presentable example of one of the ultimate baseball cards, this is perfect for so many collectors. The issues with the card are slight tape staining and general wear. Cut to the right border, this has mild creasing, the back is fine. The corners show a fair amount of wear, the card retains vibrant color and an attractive image.

Key Lots

21 1952 Bowman 101 Mickey Mantle SGC 5.51250

Centered mildly to the right border, the corners show only very light wear for the grade. The back is clean. The image quality is superb here, the card pops when held in hand.

An interesting card, as people often refer to the 1952 Topps Mantle as a Rookie Card but yet never this card? This does seem like an awfully good value at today's market level given the significance of this set and player.

Key Lots

One of the ultimate 1970s wax boxes, this is a cornerstone item for so many collectors. The popularity of Star Wars seems to only grow with new generations, this is the best Star Wars card item that one can collect. Baseball Cards

31 1887 N172 Old Judge John Ward SGC 3..... 600
 A fascinating person, he was a HOF player, pioneering retailer and an attorney. His cards are always desirable, offered is a very well presented SGC 3. Notable for an attractive image that is just a hair light, the back is perfectly clean. The surfaces look quite good, the corners show only very light wear.  A key 19th century HOFer, this is one of his most attractive cards. An honest 1, this has rich black borders and no back damage. Creasing and a subtle surface scrape on Ward's necktie keep this at a 1. The card is centered to the right and retains a vivid and very well defined image.

34 1906 W601 Sporting Life Team Postcards Philaelpia Americans SGC 1.5 225
 A scarce postcard from a top team, these are prized by collectors. Unmailed, the back has a terrific stamp promoting the set, we have not seen this until now. The images of the players look great, creasing to the far right edge led to the 1.5 grade. A very attractive postcard despite the grade, the HOFers are Eddie Plank, Rube Waddell, Chief Bender and Connie Mack.

40 1909 W555 Frank Chance PSA 4..... 100

1910 P2 Sweet Caporal Pins

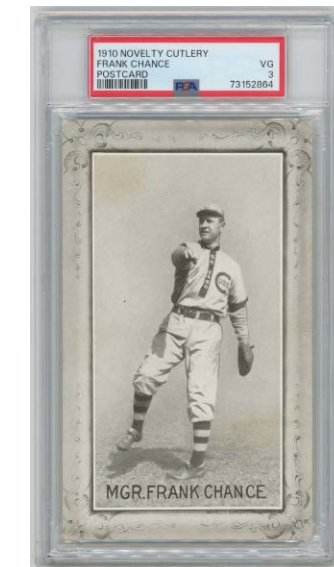

42 Ty Cobb (large letters) PSA 4..... 225
A tough pin, this has a superb image with great clarity and definition. There is no obvious wear on the front, wear on the paper back likely led to the 4 grade.

43 Ty Cobb (small letters) PSA 6..... 250
Bright and clean, this has a terrific image with excellent clarity. There is hardly any wear, the paper back looks good, PSA is so tough on these.

44 Cy Young PSA 5..... 50
Freshly slabbed, this is well centered and quite clean. We do not see any obvious wear, the paper back is clean. The 5 grade is quite conservative to our eyes.

45 1910 PC796 Sepia Postcards Nap Lajoie SGC 2..... 450

A very attractive postcard from this widely collected and historically great player, this is an excellent piece. With a large image of Lajoie, this has not been mailed and displays very well for the grade. There is hardly any creasing, the surfaces are clean, the corner wear is consistent. This is a postcard that does not come to market very often at all, with only two total sales in the last four years on VCP.

Baseball Cards

46 1910 T213 Type 1
Hub Perdue (pop 1/4, highest grade) PSA 2..... 300
A very tough issue, these can sell for huge prices. Only four of these have been slabbed by PSA, this is one of the highest graded examples. The card itself has attractive pastel coloring and clean white borders. Mild creasing and corner wear keep this at a very pleasing 2, the back looks great.

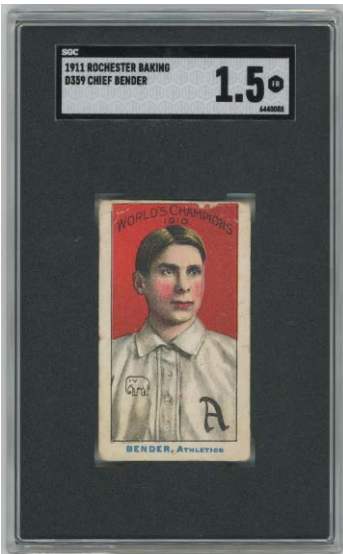

47 1911 D359 Rochester Baking
Chief Bender SGC 1.5 350
A great card from a scarce and great tobacco issue, these hardly ever come to market. A colorful and attractive card despite the low technical grade, the image looks terrific. Cut to the top border, the vital back has no paper loss. Moderate creasing is present, this combined with wear at the top border led to the 1.5 grade.

49 1911 T205 Johnny Evers PSA 3.5..... 250
Well centered with gorgeous color, this is an awfully nice looking card. The gold borders look great, there is no visible creasing. A tough grade, the lower left corner on the front shows some wear, as does one corner on the clean back.

50 1911 T205 Christy Mathewson PSA 4..... 800
An absolute key to a classic tobacco set, these are not easy to find even in 4 holders. A classic and iconic card, this has a gorgeous color image. Well centered, the gold borders display really well. The back is a very clean and uncommon Sovereign. We cannot see any creases or wrinkles, even under magnification, the surfaces appear to be almost immaculate. Wear is visible by one corner on the back, there almost cannot be a nicer 4 than the offered card.

51 1911 T205 Kirb White (Pirates) PSA 4..... 250

A Rookie Card of popular HOF Frankie Frisch, this is a desirable and tougher card. We do not see any creases or wrinkles, wear on the two left corners keeps this at a very nice VG 3.

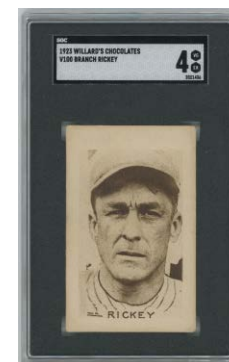

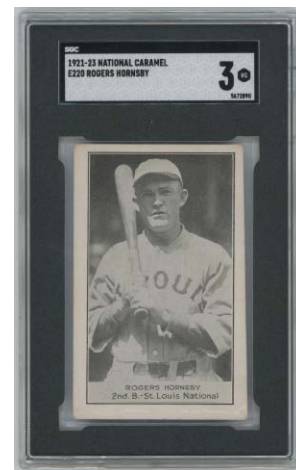

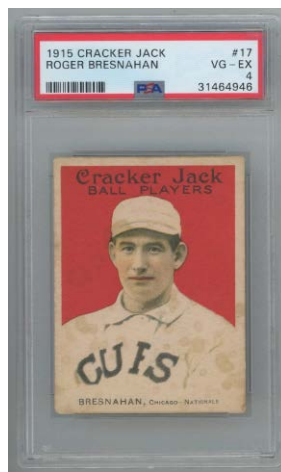

57 1921 E121 Series 80 Waite Hoyt SGC 2.5... 300
A Rookie Card of 1927 New York Yankees HOF pitcher Waite Hoyt, this is a desirable and tougher card. A clean horizontal card with a fine image, this displays very well. Conservatively graded, there is a nick on the bottom border and some subtle back creases, it looks much nicer than its technical grade.

58 1921 E220 National Caramel Rogers Hornsby SGC 3 450
A tough and attractive card of the legendary Rogers Hornsby, this looks great for the grade. The corners show light and consistent wear, the back is clean, the surfaces look good. Well centered, you cannot ask more than this from a 3.

59 1921 Exhibit Ty Cobb SGC 1.5 400
A popular 1921 postcard of the great Ty Cobb, this has a novel image not used on other cards. The offered card has a clean front with mild wear and no visible creases. The corners are not bad at all, the back has a subtle stamp and one written in word, it is clean overall.

60 1922 W575-1 Eddie Collins SGC 7.5 50
A razor sharp card, the corners are terrific, the surfaces are pristine. The black back is immaculate, this is a seriously sharp 1920s HOF card.

Baseball Cards

62 1933 George C Miller Mel Ott PSA 1..... 200
A very underrated card of a widely popular HOFer, this is also an extremely scarce issue. Fairly well centered with rich color and a fine image, extensive creasing keeps this at a 1. The back is fine however, which is very unusual for 1s from this set.

63 1934 Diamond Stars
54 Hank Greenberg RC PSA 5..... 150
A very popular card and a key to the set, this is not so easy to find in a 5 holder these days. A brightly colored card with light corner wear, this is centered to the left border and displays well.

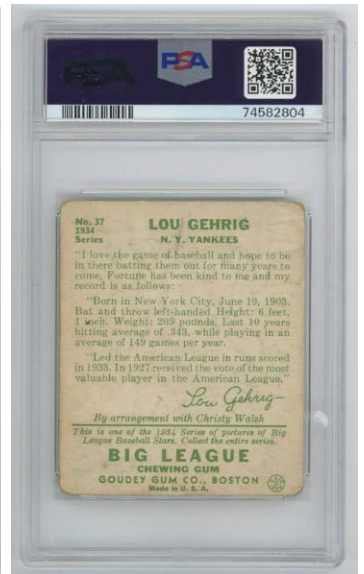

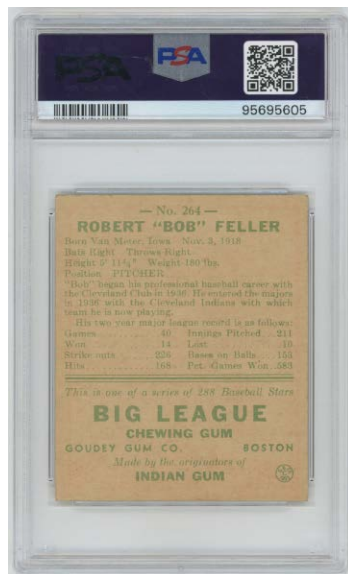

64 1934 Goudey 37 Lou Gehrig PSA 1.5 mk..... 625
A classic and vital card, this has good color and a fine image. Cut to the bottom border, surface wear is present on the front border, but there are no creases. The back has had some pencil erased, but is not bad at all overall. This is an affordable example of a key 1930s Lou Gehrig card.

65 1934 Goudey 62 Hank Greenberg RC SGC 1.5. 400
His Rookie Card, these are always hard to find and desirable. The offered card has terrific centering and good color. The back has no damage, the card has no technical flaws. Creasing is present but not excessive, this is a very pleasing card for the grade.

66 1938 Goudey 264 Bob Feller PSA 4..... 700
A very cool and tough card of the great Bob Feller, this is an original owner card that came into the National and is freshly slabbed. This card has outstanding centering and is quite clean, we thought it would grade a 5. There are no visible creases or wrinkles, even under magnification. The back looks great, as does the image. The corners show light and consistent wear, this is a superb card for the grade.

68 1939 Salutation Exhibit Joe DiMaggio PSA 6. 130

69 1941 Double Play
63 DiMaggio/Keller PSA 6..... 100
A key to this underrated set, the offered card has outstanding centering. The borders are clean, the images vibrant, the corners come to solid points.

70 1947 Bond Bread Jackie Robinson SGC A 550
A controversial card, this one is nice as it does not have the square corners. Please note all of the cards in the now controversial find have square corners, the rounded corner cards were always period issued to our understanding. The offered card has a classic image of a young Jackie. There are no visible creases or wrinkles, even under magnification. The back is clean, some slight print is visible on the front of the card. Wear is only noticeable by one corner on the back, this card might have huge future upside based on potential new information (but nothing is guaranteed of course).

Baseball Card Sets, Lots and Related

181 1929 R316 Kashin Lot of 20 different w/original box incl. Todt SP Ex-Mt 150
An uncommon set that is now getting its just due, these are cleanly designed cards with quality images. Ex-Mt overall, the cards tend to have crisp corners, centering varies as always. A substantial lot, it includes the very scarce Todt short-print (crisp but off-center to the top border), Combs, Faber, Hoyt, Manush, Rice and Sewell.

182 1929 R316 Kashin Collection of 33 different w/Pennock VG-Ex..... 200

176 1973 Topps Pin Ups Tom Seaver PSA 8..... 200
One of the best Tom Seaver test issue cards, these hardly ever come to market. From an amazing Tom Seaver collection, this is a gorgeous card. Razor sharp with gorgeous color, this is a special piece. Centered to the right border, a PSA 8 has not traded publicly since 2019! Happy bidding.

177 1973 Topps Pin Ups Carl Yastrzemski SGC 2 150
A very scarce and undervalued Yaz test issue card, we hardly ever see these. The offered card has four sharp corners, clean surfaces and great color. The back is clean, we do not know why it only came back a 2, perhaps something to do with the back, the card displays awfully well and will ably fill a very tough hole in any advanced Yaz or Red Sox collection.

183 1933 Goudey 63 different commons Good 400
Not a bad lot at all, these appear to be quite consistent for the grade. A nice start for a set, these include 23 low numbers. The backs are quite clean overall, it would be very difficult to find a better matched lot for the grade.

184 1936 R314 Complete Set (120 pcs) GVG 200
An excellent value set, this is loaded with HOFers and star players. Headlined by an affordable Joe DiMaggio Rookie Card, these are never easy to find as a full set. The condition ranges from Poor-Fair to VG-Ex overall, some cards could be upgraded. The average grade looks to be about VG. There are a seemingly endless number of HOFers here, we rate the keys as follows: Earl Averill Good, Mickey Cochrane Fair, Earle Combs VG-Ex, Joe Cronin Fair, Kiki Cuyler Fair-Good, Bill Dickey Poor (pinhole), Joe DiMaggio, Joe McCarthy Poor, Rick Ferrell, Wes Ferrell Fair-Good, Frankie Frisch Good, Charles Gehringer VG+, Goose Goslin VG+, Hank Greenberg VG+, Gabby Hartnett VG, Ducky Medwick Good, Al Simmons Fair, Paul Waner Good.

A real T206 signed HOFer! Extremely desirable, this has been freshly slabbed and dual-graded by PSA. The card itself has some creasing and good color, the back is fine. 328 J. Robinson/Reese/Mathias 7 500
A rare signed photo, this is a terrific original image from a circa 1970 special dinner function with these three HOFers and a very lucky fan named Alan. Nicely posed, everyone is in formal attire. Undated, we believe this is circa 1970. Each athlete signed and inscribed the photo on their image to Alan. Jackie Robinson signed in bold blue ballpoint ink, but the contrast is not ideal as he is wearing a dark suit. A likely unique piece, I especially love to see anything signed by both Jackie and Pee Wee Reese, given their long-standing freindship and role Pee Wee played in accepting Jackie in MLB. JSA LOA (full).

373 Lefty Grove 7 400
Among the very best pitchers in the history of baseball, this is a very elusive and significant signed baseball. A razor sharp set that was may have been from vending, the Moses Malone and Pete Maravich cards came back 9s, the Erving and Jabbar an 8 (offered above). Sitting in a closet for 30 years, the offered set should be perfect for slabbing, but does have some typical centering issues.

688 Jordan, Michael Signed Chicago Bulls Model Jersey 9..... 800
 A classic Michael Jordan signed item, these are always super desirable. Obtained in person by a great collector in the Northeast with player access, this is fresh to the hobby. An unusual style Jordan jersey, Michael signed this in spotless gold metallic paint pen on the 2 in 23. An absolutely classic and vital piece of signed sports memorabilia, it is always nice to find something a little different from Jordan. Please note this was removed from a frame, some glue is present on the front of the jersey. JSA LOA (full).

 A clean lot, these were mainly obtained over the past 30 years. Some are inscribed, this is a very clean lot with very light duplication. The autographs include many College and some NBA. JSA LOAA.

691 3 x 5 Huge Basketball HOF Signed 3x5 Lot (approx. 1500 pcs) 9..... 200
 Collected over many decades, these were likely mostly TTM. JSA has reviewed many lots from this single owner collection and hardly anything had issues. The lot is being sold as is. Arranged neatly in alphabetical order, many are personalized, there is a fair amount of duplication. The lot is a mix of NBA and College Basketball HOFers, the content is pretty basic, but with slabbing there could be huge value here as singles. The lot includes J. Brennan (7), H. Cann (15), B. Boxing

Boxing Cards

692 1888 S.F. Hess Peter Jackson SGC 1 75
A very tough 19th century issue, these are neat. The image is not bad at all, the front has wear by the upper right corner and is reasonably well preserved. The back has damage from scrapbook removal, which is typical.

693 1892 Sullivan - Corbett Official Fight Program (rare) 450

Perhaps the most important boxing bout in the 19th century, Genteman Jim Corbett knocked out the legendary John L. Sullivan in front of 10,000 people. Offered is an original program, these are rare. This is a hefty program from the Olympic Club in New Orleans, LA with wonderful interior content. The cover retains nice color and imagery, but edge wear and slight chipping is present at the left border and in other spots. The interior pages appear to be fairly clean, the back cover has some chipping in spots.

694 1910 Khedival Prize Fight Unique Production Proof Sheet (from the original project manager) 200
A fascinating lot, this came from the personal collection of noted American Tobacco Company employee Frank Full-graff. The lot is a single process color proof sheet with 17 cards. The cards retain beautiful period color and are a great example of the terrific print lithography from this era. Some general wear is present, this was removed from Mr. Full-graff's scrapbook and displays quite well overall. The stars include Abe Attell, Bob Fitzsimmons and Stanley Ketchel. Of note the top three cards contain handwritten notes for the use or non-use of the cards in the set. This is a terrific one-of-a-kind item for the very advanced boxing or tobacco collector. Superb.

695 1948 Leaf Partial Uncut Sheet w/ Joe Louis, Sugar Ray Robinson, Gene Tunney 125
An interesting panel, this has 15 full size cards, and portions of another fifteen. This has the full printing on the back, and is a final process item. The sheet retains vivid original color and displays well, there is wear on the bottom and right borders. The full size cards with wide borders include keys Sugar Ray Robinson, Jack Johnson and Gene Tunney.

1951 Ringsides

696 32 Rocky Marciano RC PSA 4..... 100
Freshly slabbed, this has great color and image quality. We do not see any creases and the corners are crisp, but edge wear by the top border led to the 4 grade.

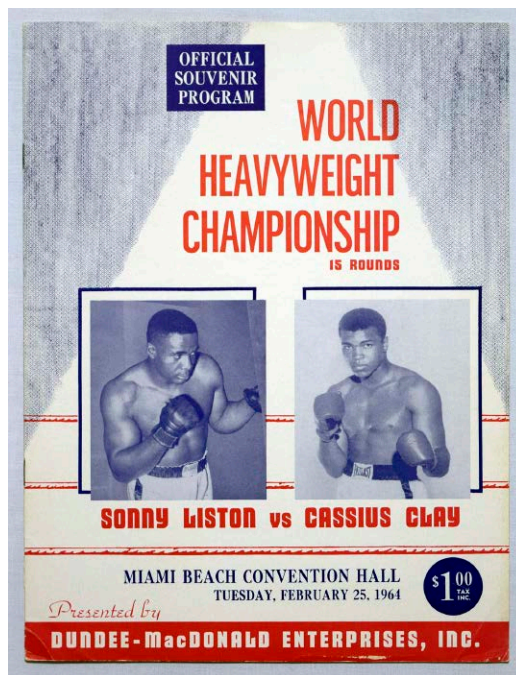

697 43 Sugar Ray Robinson PSA 6..... 100
Clean and well centered, this seems like such an undervalued card given his historic status.

700 88 Joe Louis PSA 6..... 120
An absolute key to this great set, these are not easy to find and seem so undervalued to us. The offered card is centered to the right border. The color is terrific, the borders are clean, the corners come to solid points.

701 89 Carlos Chavez SP PSA 7..... 40
A tough 7, this has quality centering, rich color and four solid corners.

702 Lot of 52 very clean cards Ex-Mt/NM 180
Culled from a large quantity for condition, these are really nice cards. There is light duplication, some high numbers and stars are included. This is a lot to seriously consider for slabbing.

Boxing

703 1951 Ringside Very Near-Set (92/96) GVG/VG.. 200
Missing just 32, 49, 58 and 95, this is a mixed lower grade set. The set has definite condition variance, various cards could use an upgrade but also has many colorful VG Plus cards (more than 50% of the set). It is still a substantial offering with many high numbers, HOFers and short-prints that offer some real value. We rate the key cards as follows: 43 R Robinson Fair-Good, 48 Castellani VG+, 54 Jeffries VG-Ex/Ex, 55 Fitzsimmons SP Fair, 59 Corbett Good, 61 Meade Good, 69 JL Sullivan Fair, 72 Ketchell VG+, 88 Louis Good, 89 Chavez SP Good.

Boxing Memorabilia

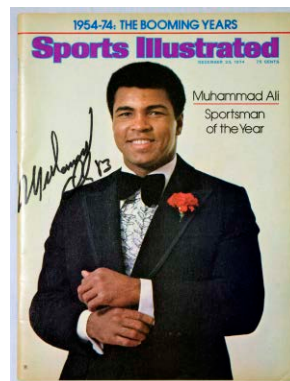

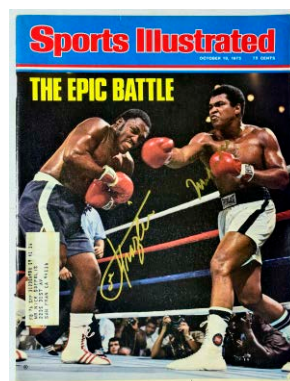

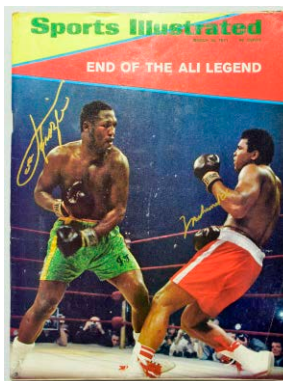

704 Rare Clay-Liston On Site Miami Fight Program (2/25/1964) 400
The fight that launched Muhammed Ali into a historic path, this is an extremely desirable program. A large format program, the cover looks great, with just some light wear at the bottom two corners. The spine is tight, the program has not been scored, the interior pages look great. So undervalued given the significance of this fight, this is a great piece.

705 Ali - Frazier Signed Full Sports Illustrated Issue (3/15/1971) 9..... 225
Always very desirable, this is a classic cover. The signatures are in matching bold gold sharpie ink. Good piece. JSA LOA (full).

A key football Rookie Card, this one has good color and clean surfaces. Centered to the left border, the corners are sharp.

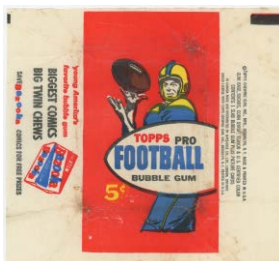

712 1957 Topps Complete Set w/PSA keys and wrapper VG-Ex 300
A classic and vital 1950s set, this has three key HOF Rookie Cards. Always a desirable set, this one is nice as it comes with a clean wrapper, which is somewhat scarce. The three keys are freshly (and conservatively graded by PSA). The set is a solid VG-Ex overall. There is variance in both directions, there may be more cards above VG-Ex than below. The set includes a marked checklist, we rate the key cards as follows: 1 Eddie LeBaron VG-Ex, 30 Y.A. Tittle VG-Ex/Ex, 31 George Blanda Ex, 32 Bobby Layne VG-Ex, 85 Dick Lane RC VG, 88 Frank Gifford VG+, 94 Raymond Berry RC Ex, 104 Earl Morrall RC Ex, 119 Bart Starr RC PSA 4, 128 Lenny Moore VG-Ex/Ex, 138 Johnny Unitas RC PSA 5, 151 Paul Hornung RC PSA 2, 154 Fred Morrison VG-Ex.

713 1958 Topps 62 Jim Brown RC PSA 5..... 300
A vital football card, these are not scarce, but still seem like really good deals right now. Offered is a crisp and clean Ex 5 exemplar, with rich color, a fine image and clean borders. The corners come to points, this is centered to the top border with some slight print.

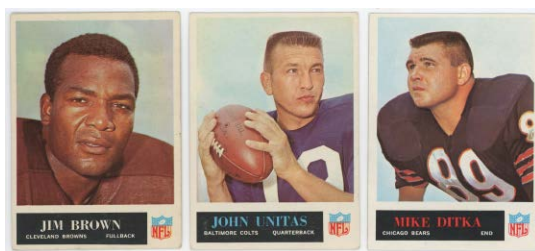

714 1960 Topps Complete Set Ex+ 140

Football Cards

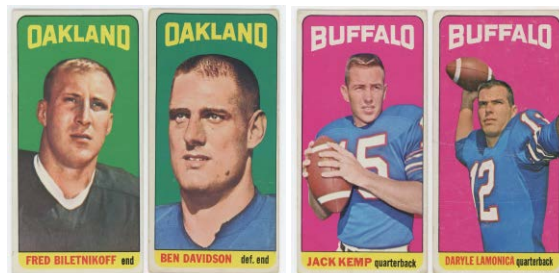

717 1964 Philadelphia Complete Set Ex-Mt/NM 300
 The first Philadelphia football set, these seem so cheap at current market levels. Offered is a carefully collected set, it is a very fine and fresh Ex-Mt/NM overall. The commons and secondary stars have not been reviewed for slabbing. The cards appear to be about half Near Mint, half Ex-Mt, with slight variance. We rate the key cards as follows: 3 Mackey PSA 6, 12 Unitas NM, 14 Shula RC NM, 17 Ditka Ex-Mt, 30 Brown PSA 6, 48 Lilly NM, 51 Meredith VG-Ex/Ex, 71 Adderley RC Ex-Mt+, 72 Davis RC VG-Ex/Ex, 74 Hornung VG-Ex/Ex, 79 Starr PSA 7, 84 Lombardi NM, 91 Olsen NM, 109 Tarkenton Ex-Mt+, 117 Gifford Ex, 198 Checklist Ex-Mt+.

718 1964 Philadelphia Complete Set w/PSA keys Ex-Mt/NM 150
 The first of just four Philadelphia football sets, these have a clean design and great photos. A very attractive set when found in condition, the offered set was collected decades ago and is fresh and unpicked. The condition varies mildly in both directions, the set looks to be 50-60% Ex-Mt to Near Mint, the balance lesser mainly due to centering. We rate the key cards as follows: 3 Mackey Ex-Mt, 12 Unitas PSA 6, 14 Shula RC Ex-Mt+, 17 Ditka PSA 7, 30 Brown PSA 5, 48 Lilly Ex, 51 Meredith Ex, 69 Lions TC PSA 7, 71 Adderley RC Ex-Mt+, 72 Davis RC PSA 8, 74 Hornung NM, 79 Starr Ex-Mt+, 84 Lombardi Ex-Mt, 91 Olsen Ex-Mt+, 109 Tarkenton PSA 8, 110 Tingelhoff RC PSA 7, 117 Gifford Nm-Mt, 197 Checklist Ex mk, 198 Checklist Ex mk.

770 1935 Beehive Howie Morenz 150
 Undated, this is a very cool card of the legendary Howie Morenz, the larger size (5 1/2 x 8) affords for a great image. The mount and image have some general wear and are clean overall. The image clarity is strong, this displays nicely. These seem extremely undervalued to us in today's market.

771 1950 Beehive Collection of 83 w/Sawchuck..... 75
 An underrated collectible, these appear to range from the 1940s through the 1950s. A big lot with many HOFers, everything will be pictured on our website.

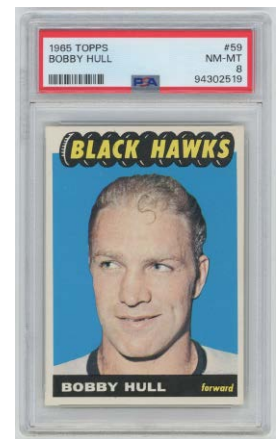

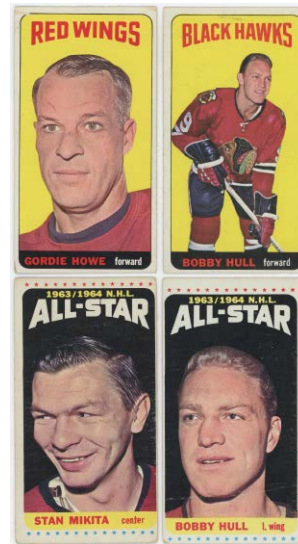

772 1954 Topps
 8 Gordie Howe SGC 4.5 .. 350
 An underrated card, this example has outstanding centering and terrific color. The surfaces are quite clean, we cannot see any creases or wrinkles. The corners come to points, there is a slight scratch or area of wear near the top border that likely kept this at a 4.

790 1968 Topps Complete Set w/PSA keys Ex-Mt 100
 A sharp Ex-Mt overall set (with variance), there are a fair number of cards with typical heavy centering issues. We grade the key cards as follows: 1 Gerry Cheevers Ex-Mt oc, 2 Bobby Orr PSA 3, 6 Derek Sanderson Ex-Mt+, 7 Phil Esposito NM, 16 Bobby Hull Ex-Mt oc, 20 Stan Mikita VG-Ex, 29 Gordie Howe PSA A, 34 Terry Sawchuk PSA 7, 61 Jean Beliveau NM, 63 Jacques Lemaire Ex-Mt oc, 89 Bernie Parent RC NM oc, 121 Checklist Card Ex unmarked, 123 Tim Horton Ex-Mt.

800 1979 SportsCaster Wayne Gretzky RC PSA 9..... 600
A key Gretzky card, these are never easy to find and seem like such great buys relative to his more common Topps and OPC Rookie Cards. An absolute key to this interesting set, this is always one of my personal favorites. Freshly slabbed and superb, this is not an easy card to find in a Mint 9 holder.

803 1948-49 Toronto Maple Leafs Championship Signed Hockey Stick w/8 HOFers 9..... 200

804 500 Goal Scorers Signed Stick w/Gretzky (18 sigs) 9..... 150
A very fun item, our consignor obtained these all in person. 500 goal sticks hardly ever come with Gretzky as he did not attend the 500 Goal Scorers show. The offered lot is a high quality Wayne Gretzky model aluminum stick. Our consignor tells us that he cornered Gretzky in an elevator and pleaded with him to sign the offered lot. The other autographs on the blade are Bossy, Mullen, Dionne, Bucyk, Mahovlich, Howe, Beliveau, M. Richard and Bobby Hull. There are an additional eight signatures on one side of the stick, including Ciccarelli. JSA LOA (full).

The lot has duplication, the condition is perfectly clean overall, there are some personalizations. The lot is being sold as-is, we presume this is almost all TTM stuff, so proceed under that assumption for possible secretarial signatures. The lot breaks down roughly as follows: Bowling 150, Gymnastics 100, Horse Racing 350, Summer Olympics 300, Swimming 1700, Track and Field 1500, Winter Sports 1000. There could well be amazing value here broken down if someone has the time and knowledge.

813 Multi-Sport Signed Autograph Collection with varied content (600+ pcs) 100
From an enormous lifelong autograph collection, these fill almost half of a large plastic tub with autographed flats. Neatly organized by sport and living and dead (about 15 years ago), this is a collection that dates back to the 1950s and had many, many rare autographs in all sports, so it is definitely possible that there could be some buried treasure here. However, these look to be mainly from the 1980s and 1990s, with just all sorts of content. Given the nature of the lot, it is being sold as-is. The breakdown by category is as follows: Assorted oddball sports (43), Auto Racing (96), Horse Racing (29), Track/field (223), Soccer (4), Swimming (115), Winter Sports/Olympics (100).

818 1904 Postcard New York Giants PSA AA..... 200
This is a very attractive postcard with extremely high quality imagery from the National League Champion 1904 Giants. Manager John McGraw famously refused to play the then upstart American League, so there was no World Series that year. Postmarked October 31, 1905, we are not sure why this received an AA rating. The front of the postcard is quite attractive, it offers Horner images of sixteen team members.

814 1919 Yearbook
World Series Program at Cincinnati 250
One of the great World Series programs from this era, these are always extremely desirable given the famed Black Sox scandal. The cover retains a very distinct and well preserved image of a pensive Reds manager. This was purchased and noted for the game played on October 1, 1919. The spine has had some repair, possibly from a slightly loose or partially loose cover. The first two interior pages have mounted newspaper articles. The scoresheets are fine, as is the back. How wants to fill a very, very tough and important hole in their advanced WSP or Cincinnati Reds collection?

815 1921 Who's Who Babe Ruth Cover 225
An extremely scarce and charming Babe Ruth item from the height of his fame, this has a vibrant color image of the cover. An image of Ruth that we have seen elsewhere, this displays quite well. Lower grade, 1921 is written in ink by the upper right corner, the there is a minute closed tear at the eight edge and spine wear. The back is cover is fine, this might be the first time that we have handled one of these.

816 1925 World Series Program
At Pittsburgh (scarce) 250
Produced on very fragile paper, this is a rare and extremely desirable 1920s World Series program. 100 times scarcer than the Washington version that regularly trades, we hardly ever see these. The offered program has been folded at one time. The spine has tape in two spots, the edges are reasonably crisp. The interior pages are very fragile, the program needs to be handled with care as there is damage to some of the interior pages. Neatly scored, Walter Johnson pitched for the Senators in this game. A classic World Series, this is a terrific piece.

819 1927 Harry Heilmann Sign 250
Displayed is a very rare 1920s Harry Heilmann Lucky Strike advertising sign, one whose brilliant coloration depicts the Detroit Tiger Hall of Famer following through on his sweet swing. The offered advertisement was most likely cut from a larger advertisement. The image of Heilmann and the advertising copy is contained in a shadow box that measures 17.5x 38.75, with a depth of 2.5". The piece is on thick cardstock. Despite some imperfections, most of a minor nature, the century old advertisement has great eye appeal and a wonderful vintage baseball charm that will attract favorable attention in any collection.
